ESPRESSO MACHINE

New Mitaca m1 V2.0

MITACA

The smallest Mitaca espresso machine:
a compact design that is perfectly suited to any environment.

It offers in a few centimeters size professional performance and ease
of use.

Its coffee group is the same as that of the m9 machine.

A small jewel of **Made in Italy** technology and design, guarantee of
quality and reliability.

Perfect for a regenerating break thanks to Mitaca Professional
System coffee and hot drinks capsules.
